

2415 has expired, then administrative offset may be used to collect the debt only if the costs of bringing such an action are likely to be less than the amount of the debt.

(f) No collection by administrative offset will be made on any debt that has been outstanding for more than 10 years unless facts material to the Board or a Federal agency's right to collect the debt were not known, and reasonably could not have been known, by the official or officials responsible for discovering and collecting the debt.

(g) The regulations in this subpart do not apply to:

(1) A case in which administrative offset of the type of debt involved is explicitly provided for or prohibited by another statute; or

(2) Debts owed to the Board by Federal agencies or by any State or local government.

§ 1639.51 Notice procedures.

Before collecting any debt through administrative offset, the Board will send a notice of intent to offset to the debtor by certified mail, return receipt requested, at the most current address that is available to the Board. The notice will provide:

(a) A description of the nature and amount of the debt and the intention of the Board to collect the debt through administrative offset;

(b) An opportunity to inspect and copy the records of the Board with respect to the debt;

(c) An opportunity for review within the Board of the determination of the Board with respect to the debt; and

(d) An opportunity to enter into a written agreement for repaying the amount of the debt.

§ 1639.52 Board review.

(a) A debtor may dispute the existence of the debt, the amount of debt, or the terms of repayment. A request to review a disputed debt must be submitted to the Board official who provided the notice of intent to offset within 30 calendar days of the debtor's receipt of the written notice described in § 1639.51.

(b) If the debtor requests an opportunity to inspect or copy the Board's records concerning the disputed claim,

the Board will grant 10 business days for the review. The time period will be measured from the time the request for inspection is granted or from the time the debtor receives a copy of the records.

(c) Pending the resolution of a dispute by the debtor, transactions in any of the debtor's account(s) maintained in the Board may be temporarily suspended to the extent of the debt that is owed. Depending on the type of transaction, the suspension could preclude its payment, removal, or transfer, as well as prevent the payment of interest or discount due on the transaction. Should the dispute be resolved in the debtor's favor, the suspension will be immediately lifted.

(d) During the review period, interest, penalties, and administrative costs authorized by law will continue to accrue.

(e) If the debtor does not exercise the right to request a review within the time specified in this section or if, as a result of the review, it is determined that the debt is due and no written agreement is executed, then administrative offset will be ordered in accordance with the regulations in this subpart without further notice.

§ 1639.53 Written agreement for repayment.

A debtor who admits liability but elects not to have the debt collected by administrative offset will be afforded an opportunity to negotiate a written agreement for repaying the debt. If the financial condition of the debtor does not support the ability to pay in one lump sum, the Board may consider reasonable installments. No installment arrangement will be considered unless the debtor submits a financial statement, executed under penalty of perjury, reflecting the debtor's assets, liabilities, income, and expenses. The financial statement must be submitted within 10 business days of the Board's request for the statement. At the Board's option, a confess-judgment note or bond of indemnity with surety may be required for installment agreements. Notwithstanding the provisions of this section, any reduction or compromise of a claim will be governed by 31 U.S.C. 3711.
